Dear Sir:

Applicants hereby request suspension of examination under 37 CFR 1.103(a) for the above identified utility application for a period of 6 months. Applicants wish to suspend examination of the above identified matter to await the resolution of pending related U.S. patent applications having common ownership as prosecuting all of the pending matters will be a financial hardship. The commonly owned related applications include the following: 09/419,480, 09/265,512, 09/393,391, 09/977,169, 09/348,411, 09/364,544 and 09/628,971.

Further prosecution of the above identified utility application may prove to be an unnecessary use of limited financial resources presently available to the owner of this patent application depending on the resolution of the related U.S. patent applications having common

ownership. Applicants wish to wait for the outcome of the of pending related U.S. patent applications having common ownership before expending any further financial resources on the above identified patent application. Good and sufficient cause being shown, Applicants request that this petition be granted. Payment by credit card as required by 37 CFR 1.17(h) is enclosed.

Respectfully submitted,
